

BOUNTY CAMPAIGN TERMS

We believe in a decentralised economy and cryptocurrency community. We are now starting a bounty campaign, so participants can help us tell about SAMFins to the community, and get free coins as a bounty reward. In the SAMFins crowdsale there will be 200000000 SAM tokens issued in total. As a bounty reward we will distribute 1000000 SAM tokens, which equals to 0.5% from all SAM tokens issued in ICO.

To earn and receive SAM tokens , at first you should fill out your info in below form

<https://goo.gl/forms/PMbvsF8nNkpPthLw1>

We will review and share confirmed candidates list that are eligible

By completing bounty tasks you will receive bounty-points, which are divided in the following categories: twitter, facebook, bitcointalk translation and moderation, writing blog posts and posting articles in popular media. At the end of crowdsale we will distribute 1000000 SAM tokens proportionally to your bounty points in each category.

HOW AND WHEN YOU CAN RECEIVE YOUR BOUNTIES

After the crowdsale ends, your final amount of bounty points will be visible in your SAMFins account.

Below formula will be used to calculate bounty payout in each category and we will share updated list after the crowdsale with the participants and their eligible amount of SAM Tokens.

Your bounty token count will be calculated as follows

Final Bounty payout for a category- $\frac{\text{Total token allocation for category}}{\text{total bounty collected points}} / \frac{\text{your individual points}}{\text{your individual points}} = \text{your SAM bounty payout}$

Here is an email, support@samfins.com, if you have any questions regarding the bounty campaign or if you need assistance, feel free to contact us and we will be glad to help
