## Token Sale 'How To' Guide

Please note that these instructions have been made on the 10th of November and that website can function different than described or change at any moment. Even though these instructions will guide you through participating in the token sale , everybody should always conduct their own research. SamFins doesn't state that the following instruction is complete and/or accurate. Users of SamFins accept the risks associated with using this program.

1. To participate in the SamFins token sale go to <https://samfins.com/#crowdsale>.
2. Login using your social login(Facebook or google)
3. Click on the 'Buy SAM tokens' button.
4. Read the terms and conditions thoroughly and only accept if you both understand and agree.
5. If you've completed step 4, the token sale wallet address will appear. You can only transfer ETH (ethereum) to this address. Below are the steps to complete the purchase using myetherwallet. However, purchases can be made from any wallet supporting ERC20 tokens
6. Log in to your personal wallet.
